Elizabeth Wilson
Editor

Dear Student,

The pages of this book are merely reflections of the long hours of work, the feelings of defeat, the thrill of accomplishment, and the excitement of victory which we have all experienced in our lives at Pecos High School. The people we have loved, the friends we have made, and the lives each of us have touched will never be erased from our memories. And so it is our deepest wish that this book holds the moments which you cherish most in your heart. As you travel the roads of your life, take time to look back and recall the experiences we shared in 1978. Our intention is to have compiled a scrapbook for each of us, uniting us in future years by the bonds that are remembrances of a loving atmosphere, a concerned fellowship, and each other.

Sincerely yours,
The Eagle Staff

"Roads to the Future"

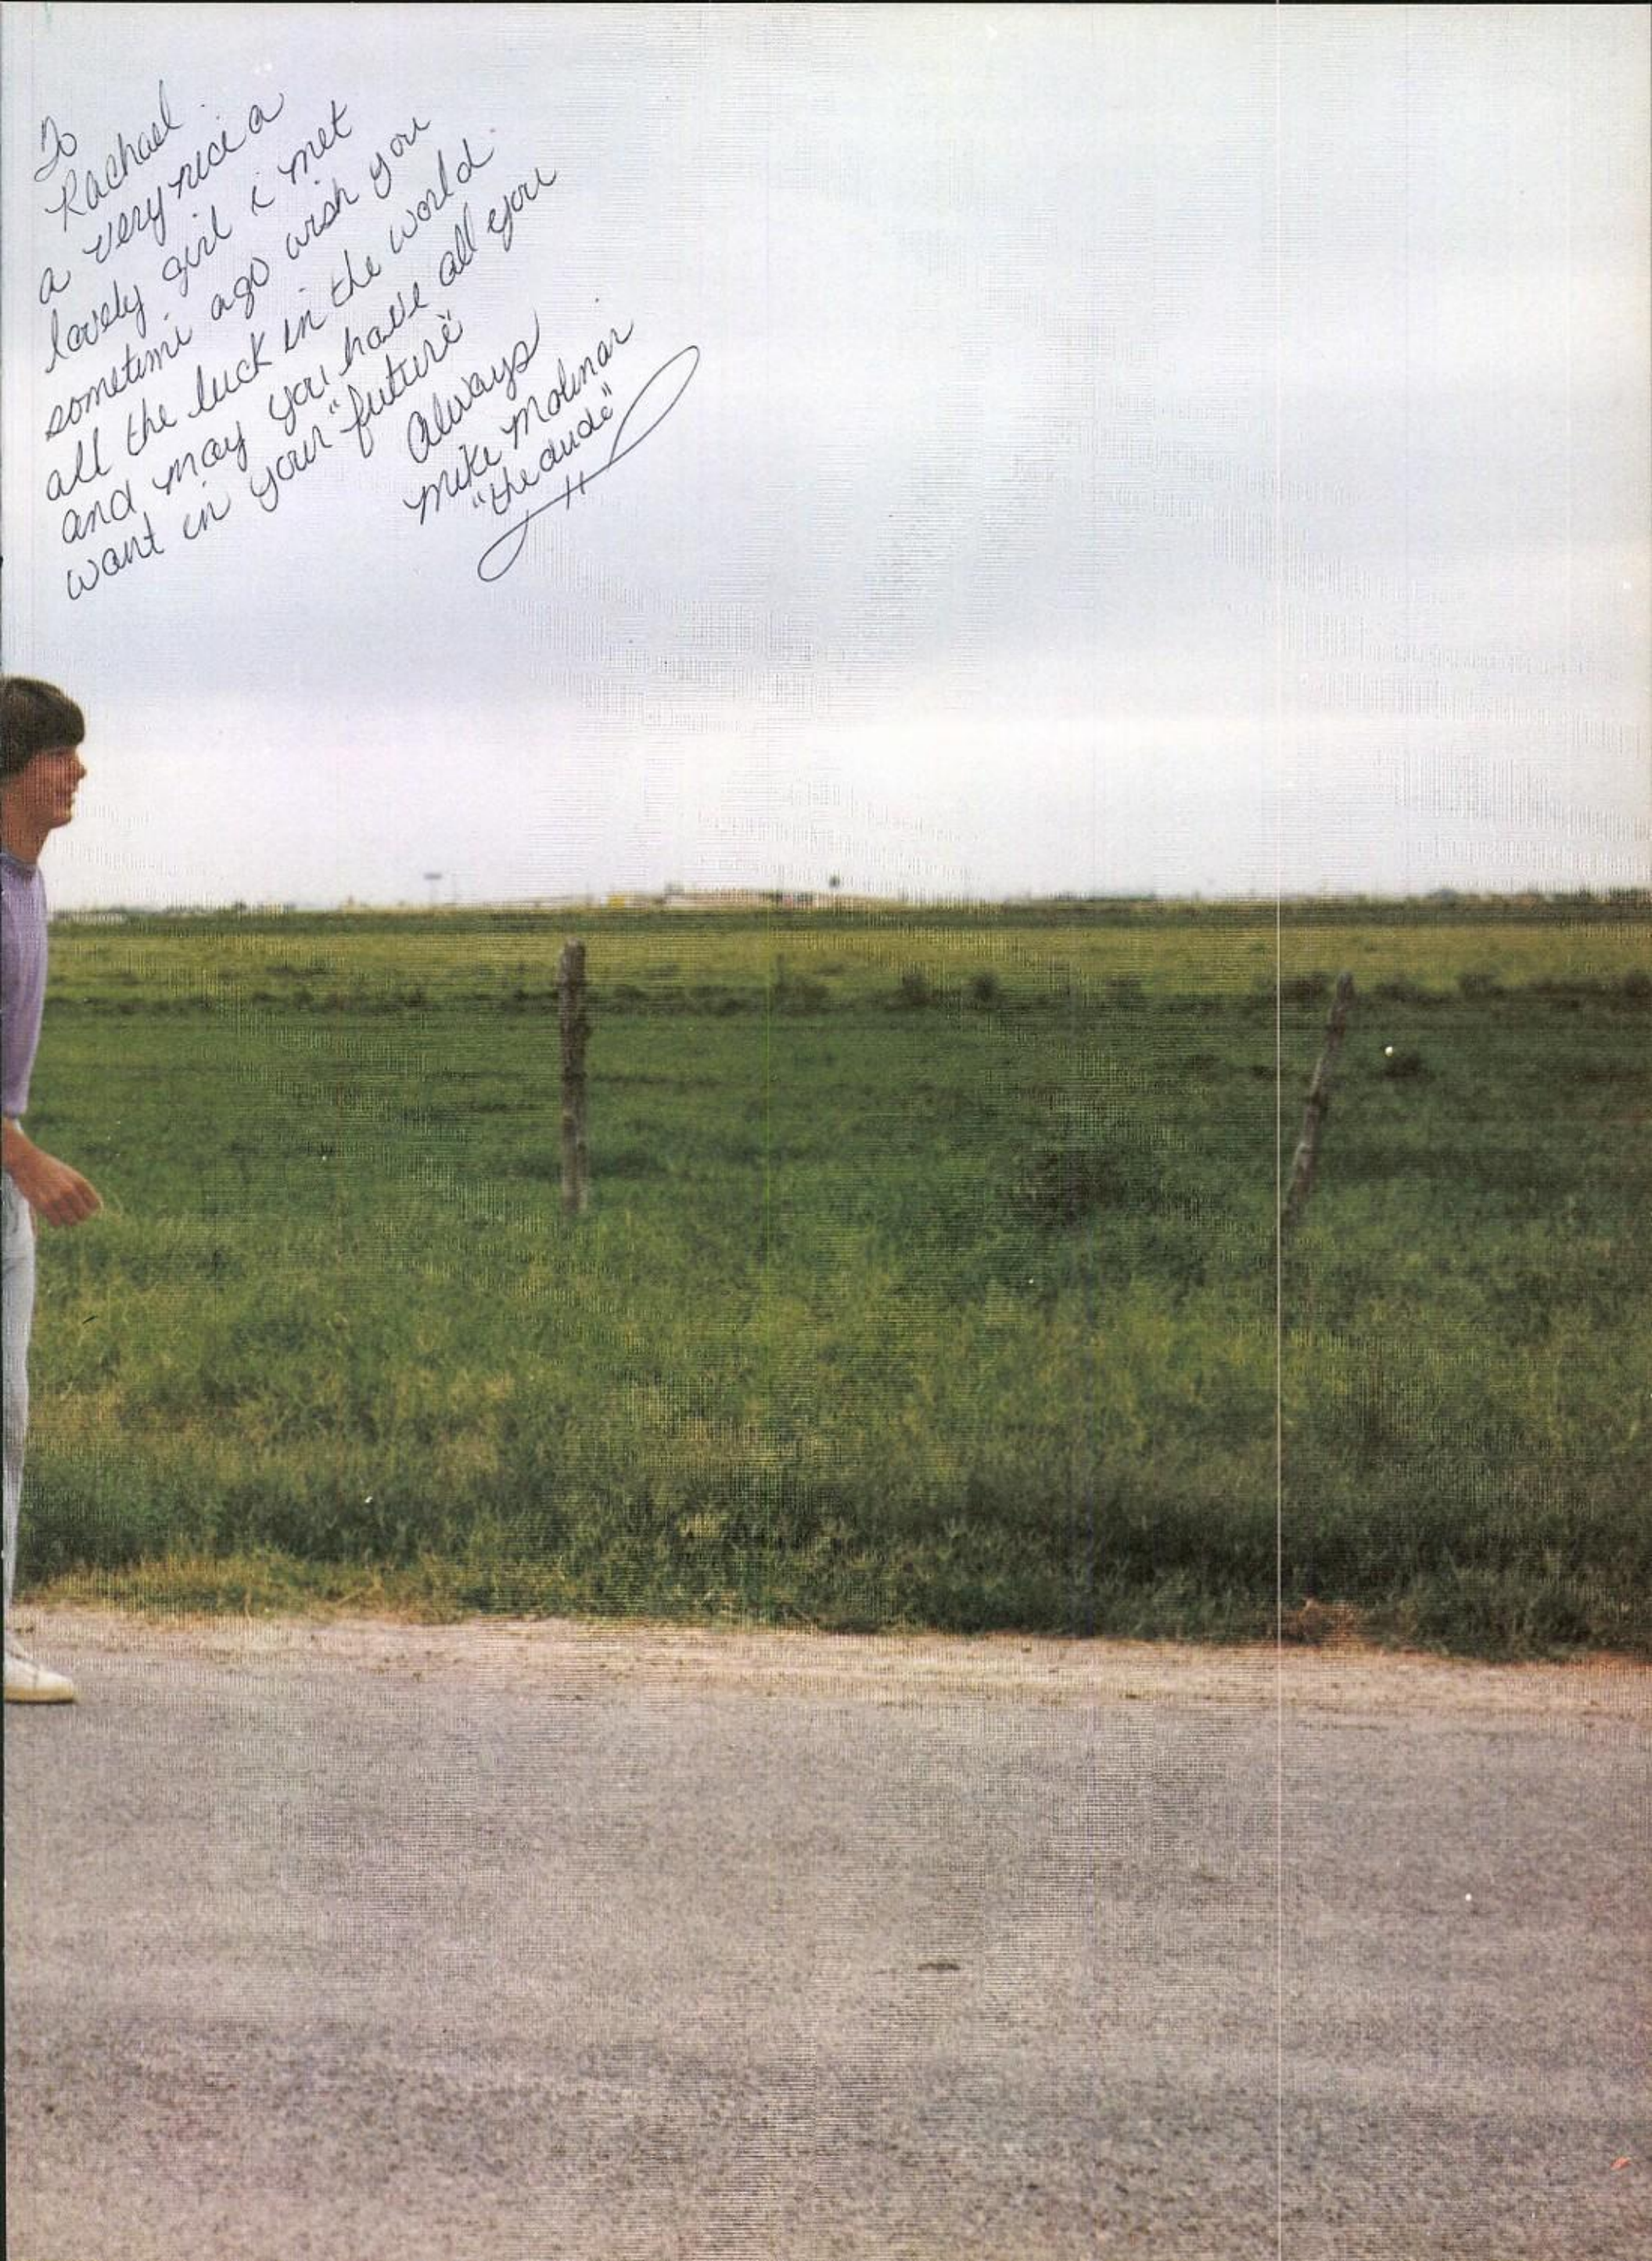

What lies behind us and what lies ahead us are small matters compared to what lies within us.

I shall go forward in His strength.

*I will not follow where the
path may lead,
but I will go where there
is no path,
and I will leave a trail.*

Twenty-nine yearbooks ago, I followed "life's road" to Pecos, and "that has made all the difference."

Pictured on the opposite page are twenty-eight of these yearbooks. You are reading Number 29.

This double-page spread is a tribute to the Editors-in-Chief of these books, to their efficient, dedicated Staffs, and to the School Boards and the Administrations who have provided a framework and an atmosphere in which these groups could work; also it is a tribute to the merchants of Pecos who have supported our efforts. Beginning with the 1950 edition of The Eagle (which I am holding), and reading from the bottom row, left to right, are the publications produced by these editors and their helpers:

1950 - Wilma Langham
1951 - Nora Holcombe
1952 - Patty Holcombe
1953 - Garld Stafford
1954 - Gerald Griffin
1955 - 1956 - Franklin Cobb
1957 - 1958 - Jim Armstrong
1959 - Sareta Kiser
1960 - Todd Pearson
1961 - Linda Bickley
1962 - Mike Cowart and Robert Owen
1963 - Martha Adkins and Ken Hughes
1964 - Don O'Neal and Evelyn Walker
1965 - Jane Glier and Jan Whigham
1966 - Eric Avery
1967 - Cathy Carpenter
1968 - Kathy Walker
1969 - Carolyn Carpenter
1970 - Marilyn Eisenwine
1971 - Sally Meek
1972 - Becky Hopper
1973 - Becky Rogers
1974 - Kimberly Ashley
1975 - Connie Kesey
1976 - Monya Hooker
1977 - Cecile Montgomery
1978 - Elizabeth Wilson

These staffs have worked long and tediously, not for merit of fame, but just for the sheer joy and deep satisfaction which comes from doing a service for others.

I am glad that I trod the "path to Pecos," for here I found a field of service.

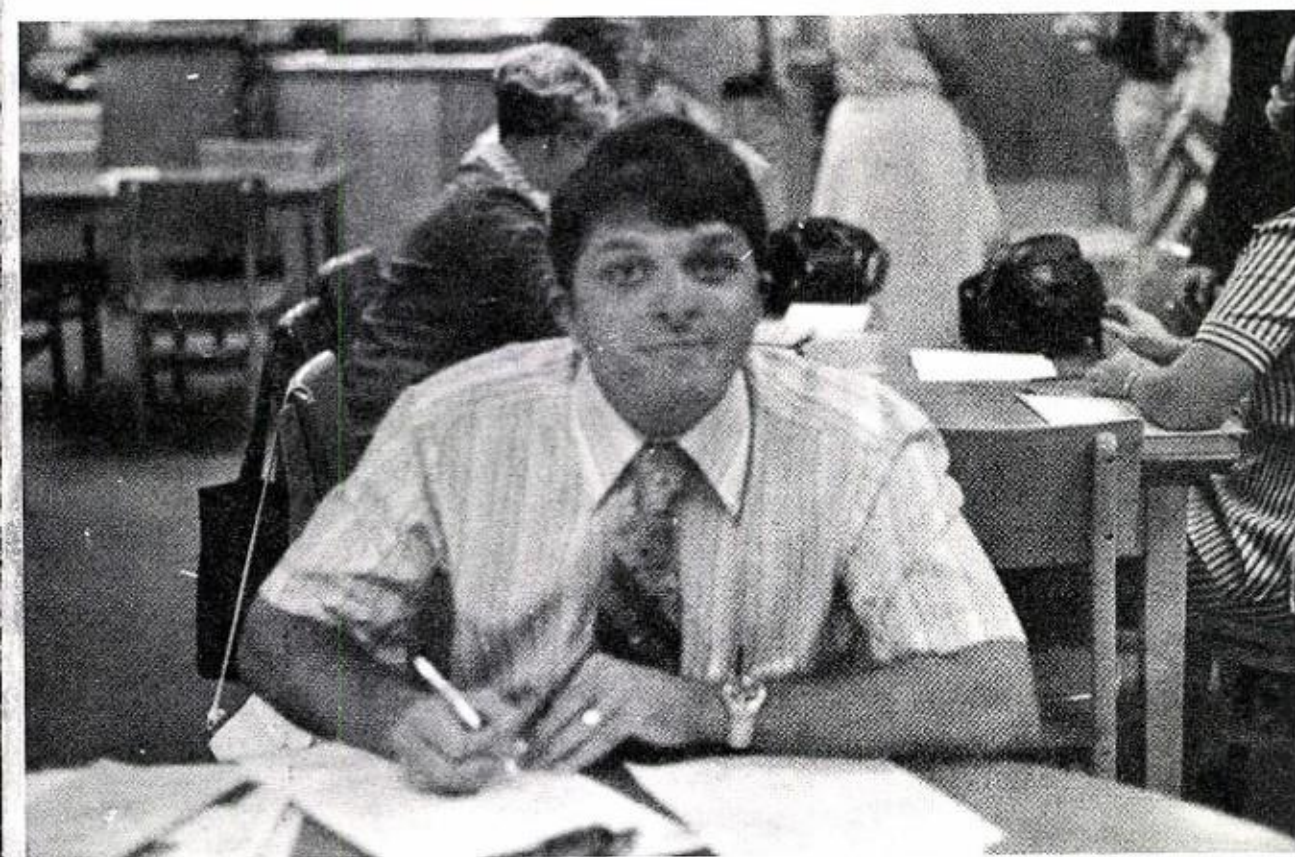

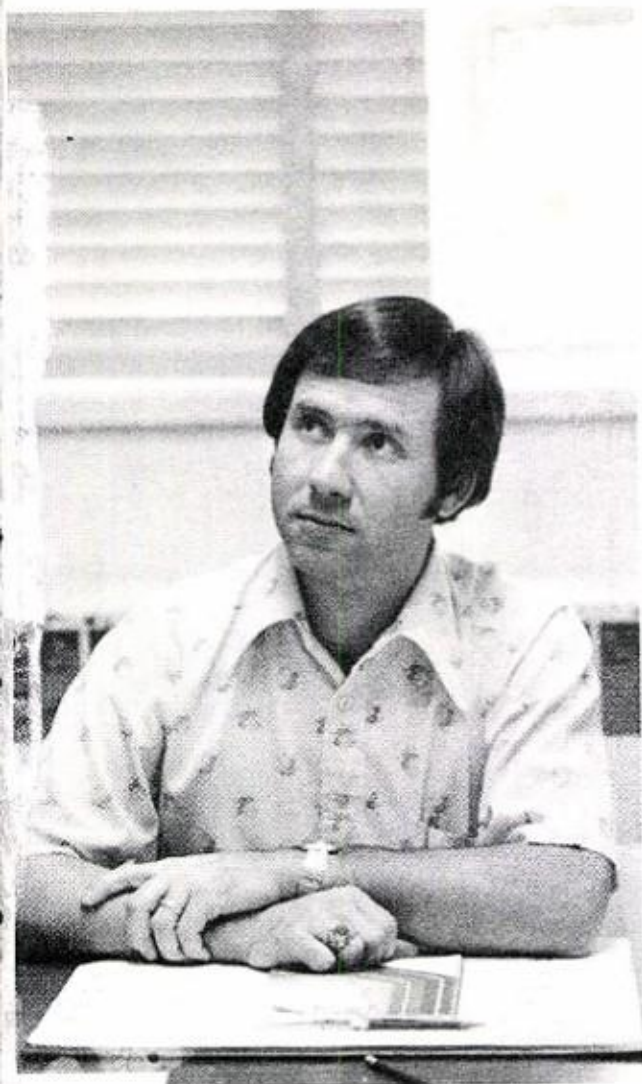

May God richly bless you all is the earnest prayer of one who loves Pecos High School (and that's you).

"Two roads diverged in a yellow wood, and I --
I took the one less traveled by...."

Sincerely,

Foreign Exchange Student

Mary Lisa Carrico, daughter of Mr. and Mrs. Bill Carrico, is spending a year in the Philippines as a Rotary Foreign Exchange Student. Mary Lisa, a 1977 graduate of Pecos High School, departed for the Philippines in July of 1977. She is attending college in the city of Bacolaud. She is staying with several different families during the year.

Mary Lisa, 18, was the guest speaker at United Nations Day held in a village school. She has also taught twirling during her stay in the Philippines.

Although Mary Lisa gets homesick at times, she feels being an exchange student is a wonderful opportunity.

Senior Memories

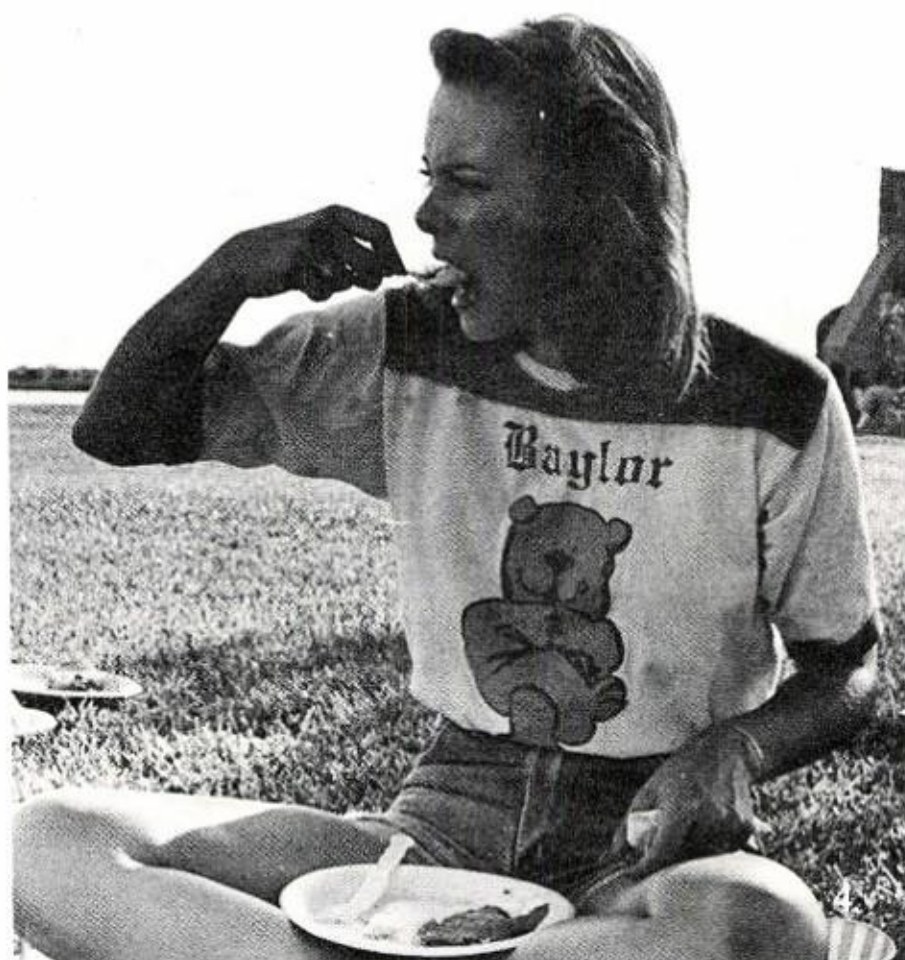

Graduation—that magical moment looming dreamily in the distance. It was the goal we shared as lowly freshmen and the result of four years of hard work. It marks the end of good times, worries, and frustrations, yet it marks the beginning of a new adventure in our lives.

Our high school days hold memories which we reflect upon with a smile, a cringe, or a tear. Our days were filled with early band, D-hall, pep rallies, tests, fire drills, and play practices. Afternoons were spent at athletic workouts, club meetings, part-time jobs, or at a meeting with the gang at “Al’s.” We faced disappointments, frustrations, and heartaches. As freshmen we got stepped on; as seniors we do the stepping. With pride we accepted all-sport trophies. And with joy we defeated the “Mean Green.” Our experiences—a mixture of personalities, faces, loves, hates, fears, and laughter—have somehow, unknowingly, left their mark upon the development and enrichment of each of our lives.

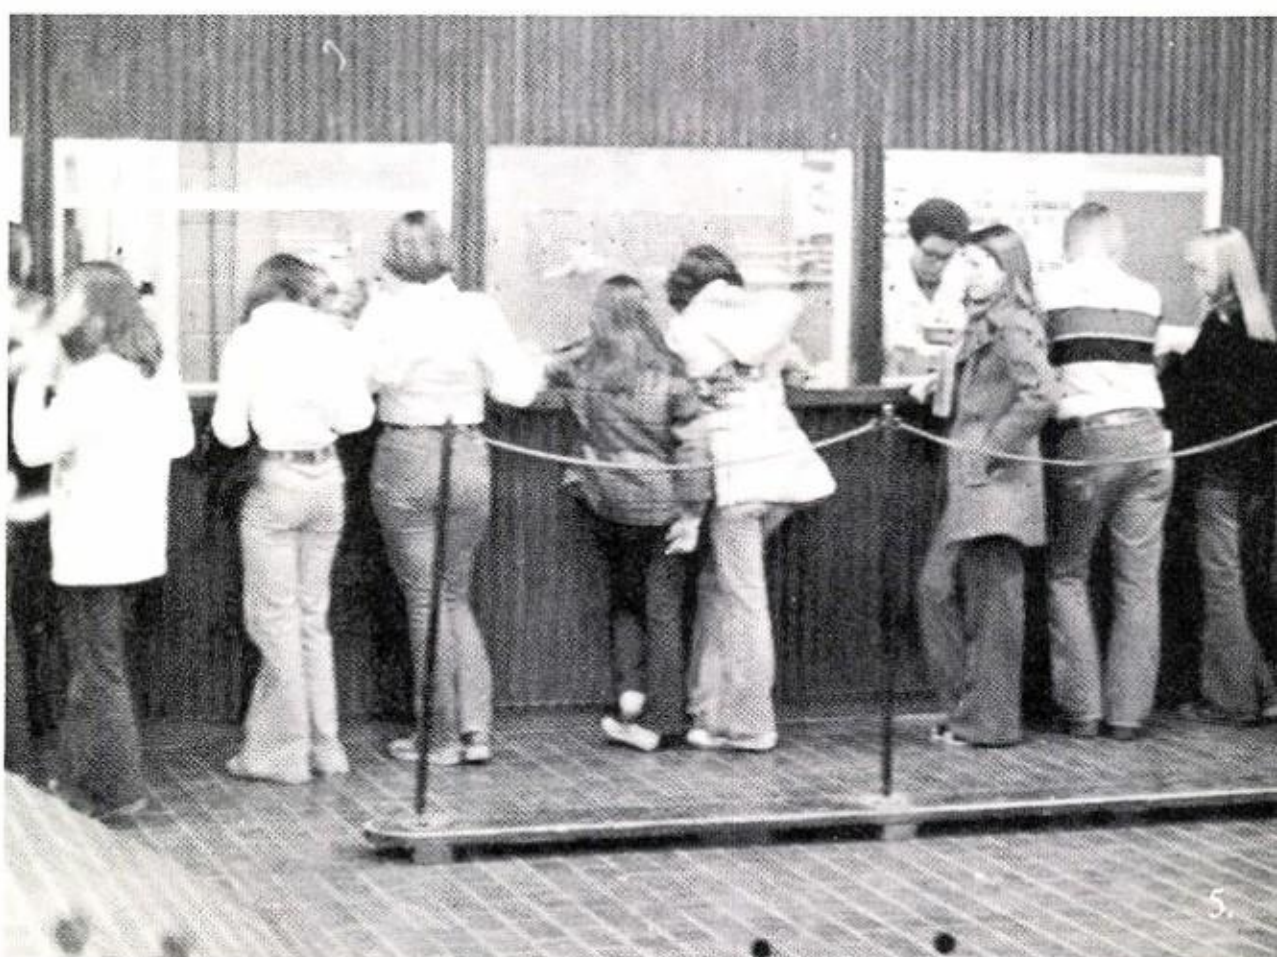

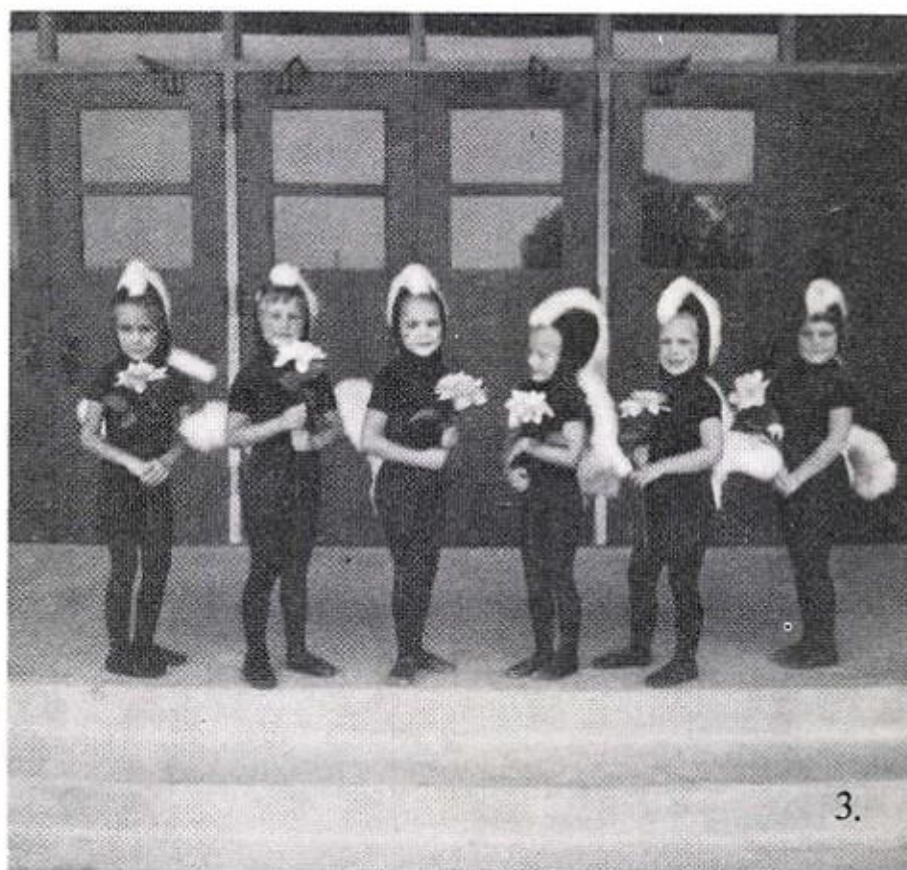

Now we, the Seniors of 1978, leave with sorrow, with joy, and with hope as we journey life’s roads to the future.

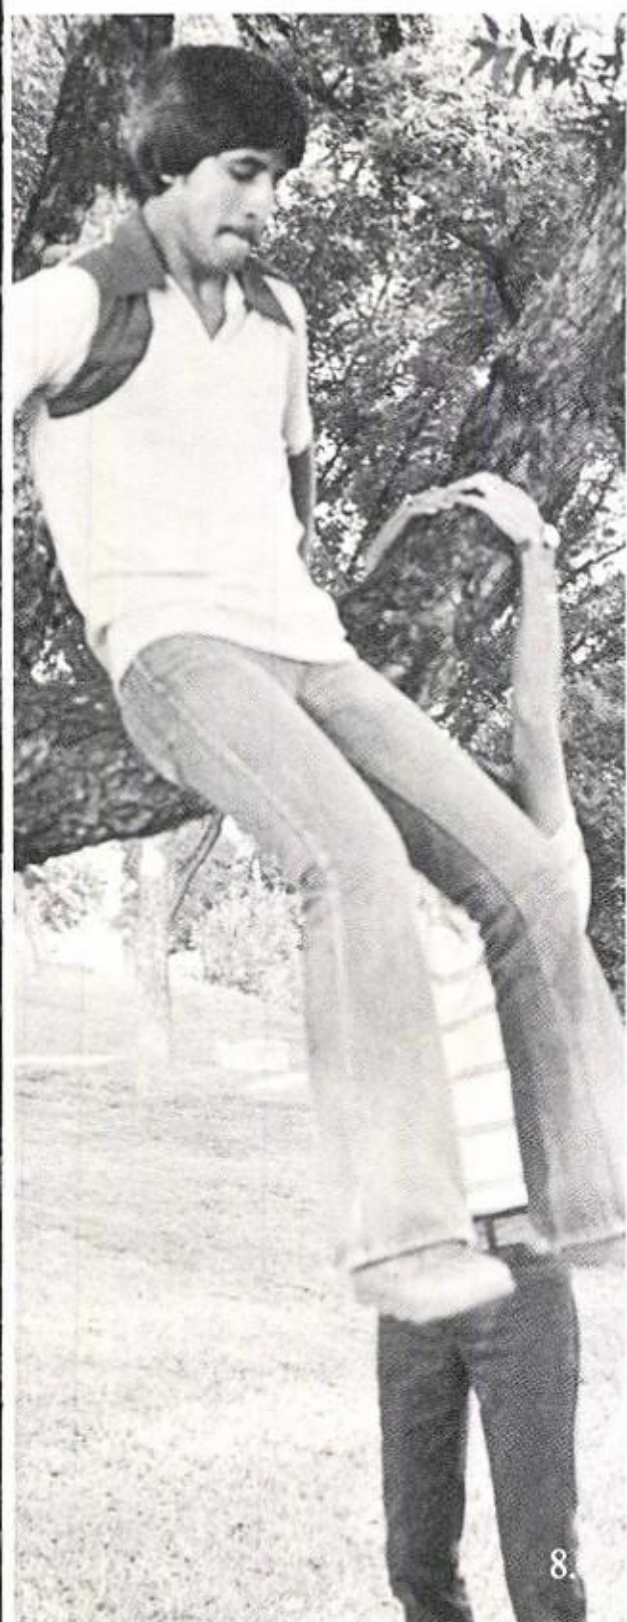

- (1.) Stopping by Al’s and “making the drag” seems to be the favorite pasttime of many PHS students.
- (2.) Larry Hunter faithfully endures the chill of another Friday night football game.
- (3.) The PHS majorettes succeeded in spooking the Monahans Lobos in this Halloween pep rally in the fall of 1977.
- (4.) Kim Dingler and her Baylor bear enjoy the barbeque at the Angelo State Yearbook Workshop Barbeque held at Lake Nasworthy during August of 1977.
- (5.) Who could forget this? Freshman initiation got the best of these beauties. Rene Rios, Ben McNeil, and Bobby Arreguy were the victims of some ruthless seniors during Camp Musquiz Band Camp in 1974.

*We live in the present, we dream of
the future, and we learn eternal
truths from the past.*

(1. and 2.) Eugene Morales and Kevin Doan have really changed since 6th grade.

(3.) The identity of all of these "stinkers" is unknown, but the two skunks in the middle are Kim Dingler and Belen Ellis. These kindergarten-age ladies were members of a ballet class.

(4.) Bena Stickels leads Rachel Billeiter and Kay Painter through the darkness in the Jr. Play, "Huckleberry Finn."

(5.) The snack bar line—where students wait patiently for crisp french fries, frito pies, burritos, hamburgers . . .

(6.) Memories of fighting your way through the halls may not always be pleasant memories. The senior locker area is especially crowded.

(7.) Memories—of the smiles we left behind, smiles we gave to one another . . . (8.) Fortunately, fun and games do not disappear with age. Beto Quezada and Kirby Rankin enjoy this beautiful summer day.

(9.) Mrs. Cheryl Holminski Burton.

(10.) Betty Rodriguez as a 5th grader, is now a PHS senior.

Rachel-

I don't really know how to start out so there's nothing better than the truth?

Rachel we have been friends for a long, long, long time now — and I am so very happy!! We sure have had a lot of fun together, haven't we? Well anyway Rachel thank you for the lunch money, I don't think I will ever be able to repay you, but I will some way!!

Are you happy we're Seniors? I am, but then I'd hate to leave you all (friends). We're the best Seniors that ever stepped foot to in this school, we're the mean "Class of 79" Boy are we going to have fun next year, well, we're gonna make it a fun year, aren't we Rachel? I bet you next year will go by faster than this year.

Well Rachel you're a great friend, with a swell personality — don't ever change that!! Good Luck with Honbert, hope you two will always stay together! Good Luck, Love and Success in the far and near. Remember I'll always be around when you need a person to talk to.

"Sr. 79"

Always
Virgie Leyva

- RACHEL -

I'm REALLY glad I met you this year. You have been one hell of a friend, especially when I need someone to talk too. I know that at times you try to make me feel good when I'm upset & you feel you haven't succeeded; but believe me I may not show that I'm not happy through the outside, but through the inside of my heart it is full of happiness. Just knowing that you CARE is more than other people are willing to do. You have REALLY opened up my eyes to a lot of things. I REALLY do depend on your understanding & kindness toward me. You sure know how to give good advice! I want you to that all the advice you have given me will always be treasured & remembered! I also appreciate it for helping ^{me} get myself together ever since my parents split up. You've taught me that I must make the best of what I have!! You've also taught me that no matter what anybody says about you in the end you will come out winning! I tell you if Humberto gives you up he sure is ignorant!! Rachel you really deserve the best in life & I truly hope that whatever you do you will be happy!! You know it's nice too know that someone out there cares! I guess what I'm trying to say is Thank You So Very Much for Being A True Friend. May God Bless keep You!!

It's been a pleasure knowing you in class. May your senior year be filled with many memories. May God grant you the things he to attain your goals. Strive for the best education of everything. Soon for the year will be out in the cruel working and you will be out in the cruel luck. May God bless you.
